SILVER INSTRUMENTS

DISCOVER THE AFFORDABLE EXCELLENCE OF SILVER BY HU-FRIEDY DENTAL INSTRUMENTS!

Silver by Hu-Friedy instruments set the quality standard for affordable dental instruments. Each **Silver by Hu-Friedy** instrument has been designed and manufactured to deliver the benefits of Hu-Friedy excellence to dental practitioners and institutions.

We manufacture **Silver by Hu-Friedy** instruments with durable surgical stainless steel. Each instrument tip is manufactured with a high carbon and chromium steel alloy. Our unique manufacturing processes ensure that **Silver by Hu-Friedy** instruments don't lose their form quickly and resist corrosion during repeated sterilisation cycles. The quality of the each sharp instrument edge is easy to sharpen and maintain.

The great value of **Silver by Hu-Friedy** is derived from our skilled artisans. We train our craftspeople with time-honored, traditional techniques to create **Silver by Hu-Friedy** instruments to match our precise instrument design standards. Our artisans perform to create the sharp edges and consistent angles that enable clinicians to perform their best in their dental office.

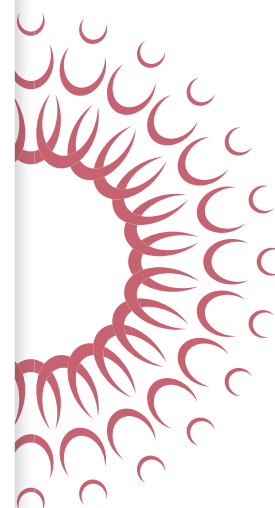

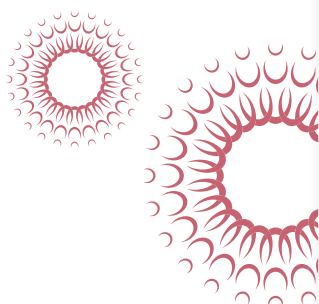

Our Shanghai, China facility where most of the **Silver by Hu-Friedy** instruments are assembled is ISO 13845 2003 certified.

Silver by Hu-Friedy instruments are tested over and over in the hands of many clinicians around the world. best clinicians. In order to put our Hu-Friedy name on the instruments, this group of instruments must meet our stringent quality control standards.

WE INVITE YOU TO DISCOVER SILVER BY HU-FRIEDY!
